JUMBO SPIRIT

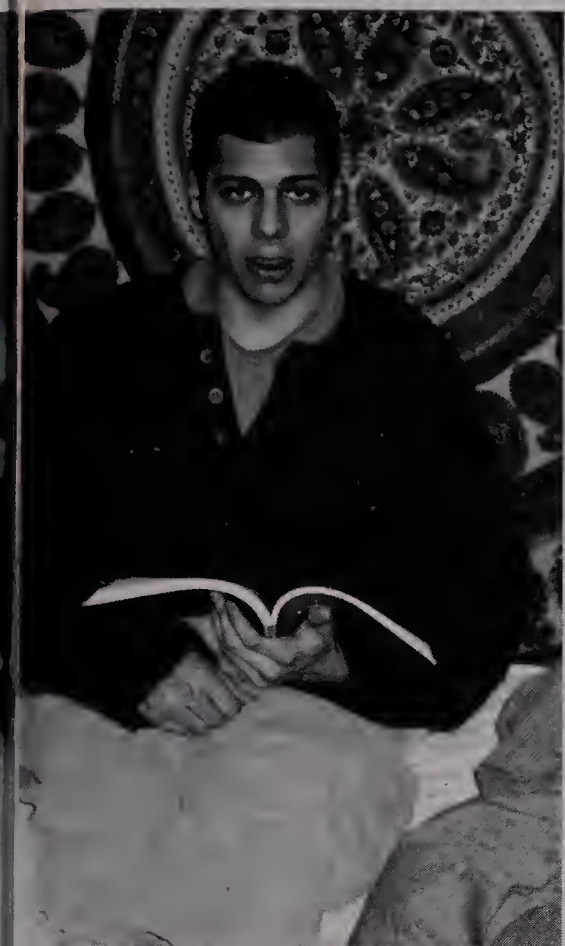

Expressing Our Cultures . . .

Class Of 98': Thanks For

All The Great Memories!

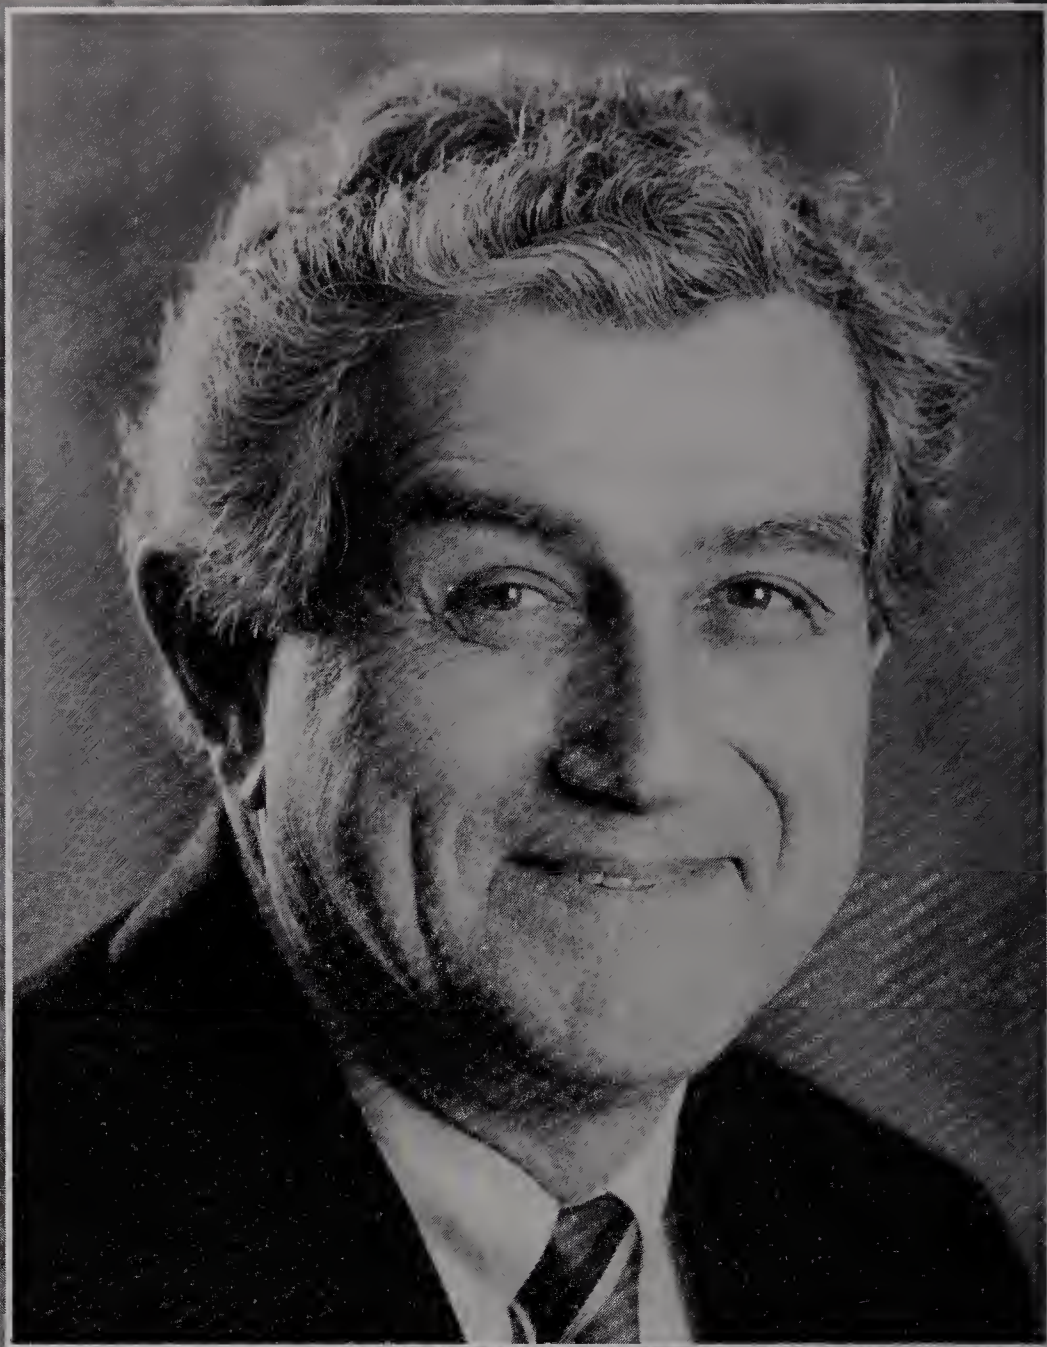

Academics

To the Class of 1998:

My warmest congratulations and heartfelt good wishes for your future success. In the past four years, you have travelled far, shifting your horizons to encompass the world. We at Tufts hope we have prepared you well for the continuation of the journey that lies ahead. And we hope you will look back on your undergraduate years at Tufts as a time when you were challenged not only intellectually but personally, socially, spiritually and civically.

You will be among those who will come of age in the new millennium -- an era already defined by quantum leaps in communications technology, in space explorations and in unprecedented world cooperation. Over the years, more and more of the drama of human life will be played out in cyberspace; the Internet will become increasingly a stage for politics, for business, for the arts and for our social organizations. I hope that you will continue to be an important part of the Tufts community of fellow alumni/a, students and scholars already working around the globe to ensure that this brave new world embodies the best of our humanity, compassion and creativity.

I personally invite you to come back and visit us often here on campus, and to look to your peers across Tufts' global network as friends and colleagues.

Again, congratulations for all you have achieved and all you have yet to accomplish.

John DiBiaggio

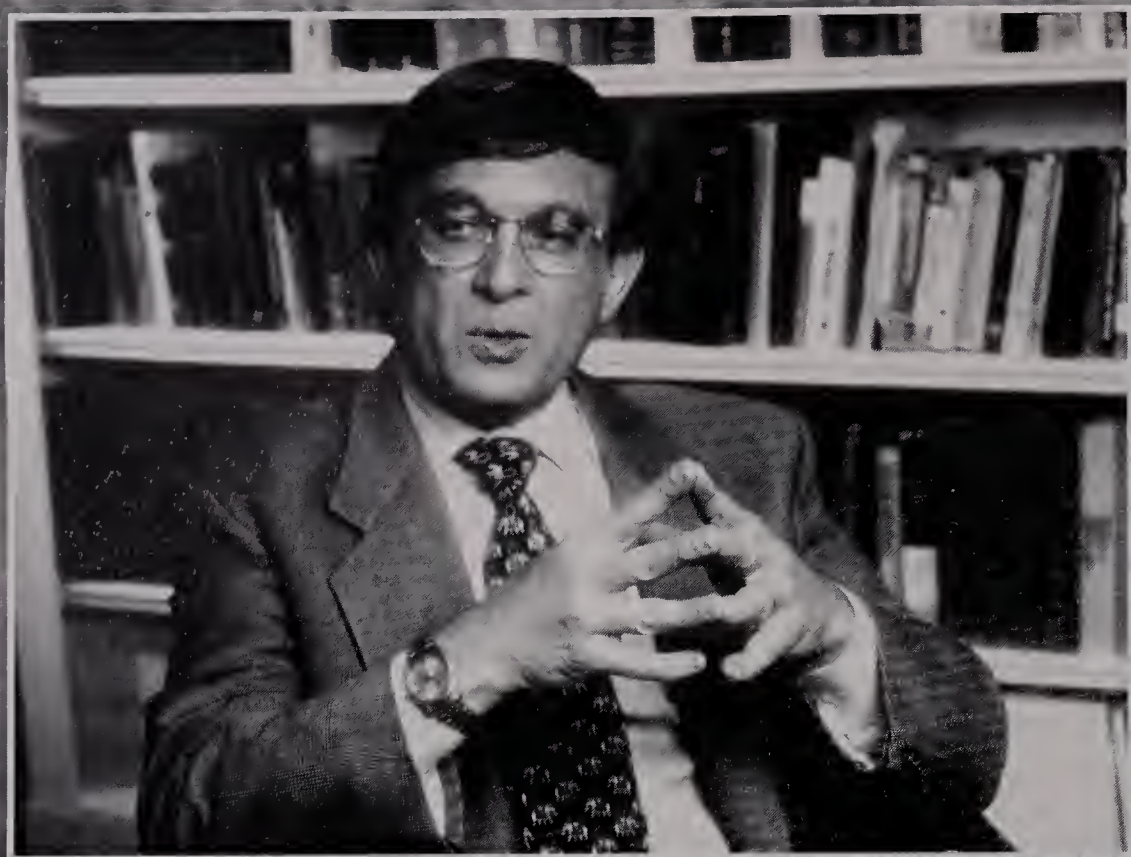

Is it possible that four years have passed since you first set foot on this campus? Will it be Andi, Jeff, Greg and a host of familiar faces walking across the stage in front of Bendetson on Commencement? Could time have gone so swiftly? It seems that I have known you all for just a few minutes, and at the same time, I have known you for a lifetime.

These four years are so special, so unique a part of all of our lives. You arrived here as very young people, as you leave us wiser, more mature, and still at the very outset of your lives. I can't wait to see how you all turn out! You have such promise, such energy, such willingness to take risks, such passion for your lives.

What career paths wait in front of you? What assistance are you going to give to the rest of humanity? How are you going to contribute to a better life for yourself and for others? You are a class with spirit, with vision, and with the certainty that the world will be a better place for what you give to it. You were special when you came to this hill, and you are special as you leave us. We will stay behind, and watch, and wait for your return. Come back and tell us how you changed the world.

*Sol Gittleman
Senior Vice President
Provost*

Congratulations Class of 1998!

Leaving Tufts. Sobering words, but evoking strong memories. I very much hope that your stay here, for many seemingly too brief, has reinforced your sense of time and place.

Truly, you have been at Tufts at a magic time, a time when the unique chemistry of a globally-rooted liberal education, a remarkably talented student body (you and your families can now justifiably swell with pride), and a faculty and staff providing the balanced excellence of teaching, mentorship and scholarship, have made Tufts one of the country's "hot" schools. This recognition is part of the gift to you from the University; with the attendant benefits it will provide in networking and career development.

You are also and forever a part of this place, a place that extends beyond the special beauty of the campus and the unique environment that is Boston, to this community where learning and scholarship have joined with active citizenry to create the next generation of graduates committed to quality, fairness and personal responsibility. You have touched us all and you will not be forgotten. Best wishes for success in all your endeavors.

*Mel Bernstein

MUSIC

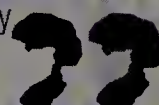

POLITICAL SCIENCE

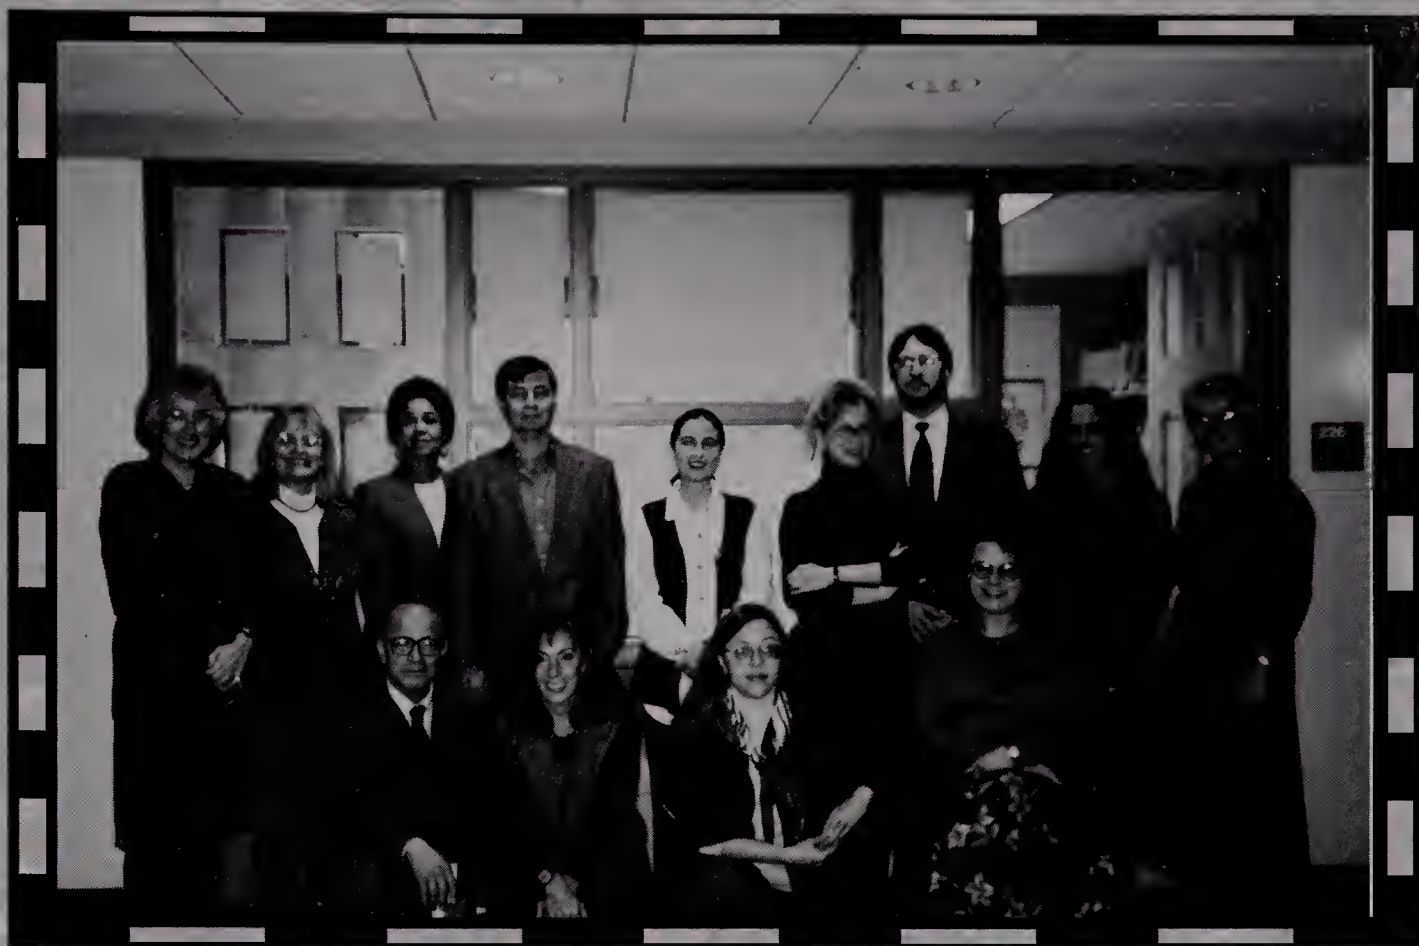

Since you are going to make mistakes (you're only human), try to acquire the unusual habit of savoring your mistakes. Become a connoisseur of your own errors, extracting all the guidance they contain, and you will find yourself making better and better mistakes, which is the best way to avoid catastrophe -- and the key to all discovery

Organizations

Cultural Groups

Arab Students Association

The ASA strives to meet the needs of Arab students from every corner of the globe, and to provide all Tufts students with a better understanding of the range of Arab nation-states and nations. We explore Arab culture, confront Middle Eastern stereotypes, and celebrate our heritage.

Armenian Club

The purpose of the Armenian Club is to cultivate a spirit of appreciation toward Armenian history, heritage, and culture through group functions as well as social and recreational events.

Asian Community at Tufts

The goal of the ACT is to unify the Asian groups on campus by raising political awareness concerning Asian/Asian American issues in the Tufts community. This goal is achieved by providing various political, educational, and social events that serve to educate and unite the Asian community at Tufts.

Association of South Asians

The Tufts Association of South Asians is open to any member of the Tufts community who wishes to learn about South Asia. TASA hopes to educate the Tufts Community about South Asia as well as to explore the heritage and experiences of its members. Not only are South Asian cultural holidays explored and celebrated, but political events are discussed and debated. We invite you to participate in our annual culture show, ethnic dancing, and food fairs.

Chinese Culture Club

The Chinese Culture Club brings Chinese culture to Tufts through the celebration of holidays and other events. The CCC, along with members of the Chinese department start the year off with the Mid-Autumn Festival. Later in the Fall, the CCC has its annual Dumpling Party in which one can make actual dumplings to eat! Of course, in the Spring the club celebrates the most important holiday in Chinese culture-Chinese New Year! Lion dancers and Chinese food are a part of this very special occasion. In addition to these activities, the CCC has its own newsletter, *Resonance*, which discusses current issues and events happening in the local Chinese community and Asia.

Filipino Cultural Club

The purpose of the Filipino Cultural Club is to offer Filipino culture to the Tufts community, to promote awareness of Filipino issues, to create a network of Filipinos on the Tufts campus, to open the lines of communication with other Filipino clubs at other schools, and finally to support the aims of the college community in promoting diversity.

Hawaii Club

Aloha! Along with its physical beauty (sun, sand, sea, and surf) the Hawaiian Islands also offer a rich cultural heritage and tradition. The Hawaii Club promotes an awareness of the Hawaiian culture in the Tufts community. We share the "Aloha Spirit" with everybody interested in learning about Hawaii through the activities and service of the club. Our annual luau is more than a feast, it's a great opportunity to sample a little Hawaiian culture, music, and dance.

The **Caribbean Club** of Tufts University is committed to educating others on Caribbean issues and enhancing the appreciation of various Caribbean cultures among all members of the Tufts community.

German Club

The German Club provides a variety of activities for the Tufts community with a focus on German culture. Our activities include a weekly German Film Series and Coffee Hour at the German House, 21 Whitfield Road. In addition, the German Club sponsors guest lecturers, holds special events (Oktoberfest & Weihnachtsfest), and takes part in the many intercultural events at Tufts.

The German House

Hispanic-American Society

The Hispanic American Society is a 200 member organization that works in conjunction with the Hispanic Center and the Hispanic House to cater to the needs of the Latino community at Tufts. We sponsor social activities at the house, and organize cultural events such as Hispanic Awareness month, maiachi and a folk dance night, a featured Hispanic speaker, and contribute to Intercultural Week. We are also a political organization that seeks improvements for the Latino community within, and outside, of Tufts.

Turkish Society

The Turkish Society promotes the exchange of ideas and sentiments about Turkey and Turkish culture. We strive to build unity among Turkish students, while incorporating other Tufts students into our activities.

Vietnamese Students Club

The Vietnamese Student Club wishes to explore, share, and preserve our common roots and experiences, and to introduce the Vietnamese culture to the Tufts University campus. We harvest this goal through cultural, educational, and social events relating to our Vietnamese heritage.

Tufts Friends of Israel

We celebrate Israeli life and culture through organizing Israeli dancing nights, arranging a Hebrew table for students who want to learn or practice Hebrew language over coffee and inviting Israeli performers to Tufts. We also believe that it is important to keep informed on the current situation in Israel in order to educate the Tufts community on Israel issues. At each Friends of Israel meeting we discuss our opinions on the peace talks and the general political situation. We schedule speakers on Israel and Middle East issues, and we take part in an Arab-Jewish dialogue. In addition, we participate in various student conferences such as the Yale Model Israeli Knesset and the National AIPAC Policy Conference. Tufts Friends of Israel also promotes travel, work and study in Israel through hosting information sessions about study abroad at Israel's universities, summer programs and post-graduate opportunities in Israel.

Hellenic Society

Like the Parthenon, the Hellenic Society has many columns to its structure. Our members consist not only of students with Greek origins, but also students interested in immersing themselves in our unique Mediterranean culture. The Hellenic Society provides the Tufts community with an opportunity to join us for Hellenic celebrations, and attend lectures about Greece's past and present.

Italian Club

Opportunities for exploration of Italian culture abound both on the Tufts campus and in surrounding ethnic neighborhoods. In fact, the Italian Club offers trips into Boston's North End, as well as local sites in Somerville and Medford. Some of our activities include gathering to speak Italian and eat Italian food, as well as sponsoring food drives to give back to some of the neighborhoods which provide us with such a vivid picture of the Italian peninsula.

International Club

The purpose of the International Club is to promote foreign culture on campus, and integrate international and American students, so that mutual understanding can be achieved. Our social events include the Intercultural Festival, and helping out at Tufts' International Orientation.

Japanese Cultural Club

The purpose of the Japanese Culture Club is to educate the Tufts community on cultural, political and economic issues about Japan. Past efforts include a dance to raise awareness and money for victims of the Kobe Japan earthquake.

Korean Students Association

The Korean Students Association was formed with the intent to enhance the awareness of the distinct culture and history of Korea. It also seeks to promote unity among Tufts' Korean students through dances, culture nights, and sporting events.

Pan-African Alliance

The purpose of the Pan-African Alliance is to promote solidarity and awareness among members of the Black community and teach others about the Black experience. The Alliance will provide and coordinate social, educational, cultural, and recreational activities to help enhance the quality of student life at Tufts. The Pan-African Alliance will also serve as a voice by which the concerns of Black students can be articulated to the university as a whole. Most importantly, the Alliance will provide for a cultural and spiritual link to Africa.

Russian Circle

The Russian Circle is an organization for students interested in the various cultures and politics that abound in the former Soviet Union, as well as for those studying the Russian language. Past activities have included lectures, a film series, restaurant trips, and celebration of Russian holidays. The Circle holds weekly teas to which all students, particularly those wishing to converse in Russian, are welcome. The Russian House, which hosts the Circle meetings, is located at 92 Curtis Street.

Social Programming Organizations

Applejam

The purpose of the Applejam organization is to provide a means by which many Tufts musicians can perform in styles not supported by the Music Department. Student bands are given an opportunity to perform for other members of the Tufts community with modern sound equipment.

Midnight Café

The Midnight Café provides a place where students can hang out in an alcohol-free environment. Also serving as a setting where student musicians can share their talents with the community, the Midnight Café serves as a vehicle to expose students to folk music. There is a place for you at the Midnight Café, whether it's behind the scenes, or up on stage!

Not Another Sister

Not Another Sister is dedicated to honoring the legacy of Lena D. Bruce. Through a series of programs, fundraising events and scholarship support, NAS has been able to promote awareness around issues of violence against women; support higher educational goals of youth; and provide forums of community expression through the arts. NAS commemorates Lena Bruce Day to celebrate the life of our sister Lena D. Bruce. We honor her legacy, the ideals she stood for, and the love she gave all those who knew her. We also acknowledge the injustice of acts of violence such as that which occurred and we are committed to create universal change.

Advertising Committee

The Advertising Committee provides the vital link between all Programming Board committees and the entire Tufts Community by creating effective, innovative advertising and marketing for events. Members create ads for campus newspapers, and design posters and T-shirts for special events such as Spring Fling and Homecoming. This provides a great opportunity for students to begin a portfolio of their work.

Returning Student Organization

The Returning Student Organization has been established to address our common concerns and provide an avenue of support and guidance to non-traditional students.

The Off-Hill Council & Hillside House

Whether you are a commuter by choice or lottery luck, you have probably noticed that commuters face some challenges unknown to on-campus students. The Off-Hill Council is the on-campus resource for off campus students of Tufts University. It was established in 1963 to meet the unique needs of students who commute to Tufts. We are a group that organizes social, academic and athletic events both on and off campus.

Hillside House is the base of operations for the Off-Hill Council and an on-campus center for commuters. "The House," as members refer to it, is conveniently located at 32 Dearborn Road. There are full kitchen facilities, two lounges, lockers, as well as study areas. There are even rooms set up to accommodate occasional overnight stays on a space available basis. Membership is open to all undergraduate students who do not have residential housing, regardless of year or program. Members have access to the house twenty-four hours a day. Social events and location make it a fun place to hang out between classes and meet people.

Spirit Army

Continuing the tradition begun in the fall of 1994, the Spirit Army plans to launch another fireworks display this year, as well as hosting pep rallies and other displays of school spirit!

Ho Chen and Strati find out just how hard commuting can be on your feet.

The Senior Hill-Side girls at the end of the year Off-Hill Council banquet.

Councils:

Classes of '01, '00 & '99

These three councils were newly created to enhance class spirit among the youngest three classes. Activities will be held during the year which will unify each class. Membership is encouraged, and ideas are needed!

Senior Class Council

This council serves as a programming and coordinating group for the senior class. It is responsible for organizing, contracting, and promoting Senior Week, as well as enhancing class unity with various events throughout the year. The Senior Class Council has continued the tradition of raising money for the *Seniorfund*. This year the class gift goes toward enhancement of the Career Planning Center. Bring your energy and make the senior class shine!

Film Series

Film Series shows 2-3 movies a week throughout the year to the Tufts Campus, including free films during orientation and finals. Members of Film Series meet to choose a variety of movies from classics to newly released films, and organize and run all aspects involved in showing movies—from running the projectors to making popcorn.

Entertainment Board

The Entertainment Board provides a majority of the special events on campus. Comedians, hypnotists, Homecoming events, and more are only some of the events this group organizes. The group also provides tickets to sporting events, the Nutcracker, Shear Madness, and other shows in town. Members have the opportunity to influence all aspects of planning an event—from negotiating with vendors to working on a marketing plan. It's a great way to get involved!

Concert Board

The Concert Board brings large and small concerts to campus, from the Fall Concert to Spring Fling to semesterly events in The Pub. Committee members will assist in choosing bands as well as helping set up and break down all aspects of a show. Recent acts include George Clinton, Violent Femmes, B.B. King, and Natalie Merchant.

Residence Hall Association

The RHA is an interdorm government council that provides the student body with the means of access to the Tufts administration. It is also responsible for campus-wide activities and issues such as the Homecoming parade and the Quality of Dorm Life. The RHA also allocates funds for dorm activities. Membership is attained through each individual residence hall's government.

Tufts Lecture Series

Tufts Lecture Series is a subsidiary of the Tufts Programming Board that works to coordinate social and educational activities for the student body. The Lecture Series is an organization dedicated to bringing speakers of various backgrounds in order to facilitate discussion within the Tufts community. The overall goal is to expose students to alternative views and inspire new ideas.

The Programming Board

The Programming Board consists of the Co-Chairs of the Board along with the assigned representatives from the following Boards: Concert Board, Entertainment Board, Film Series, Lecture Series, Spirit Army, and the Class Councils. The Board meets once a week outside of the member Boards' meetings to discuss what events the groups are programming and to discuss any common problems or issues.

Media Groups

From Abroad

From Abroad is a journal of Tufts students' international experiences. It serves as a creative forum for students to share their ventures in foreign countries as well as providing insights for students considering studying abroad in the future. *From Abroad* is published annually, its articles are carefully selected from the best short stories, journals, poems, pictures, and artwork submitted. Staff positions are available for the upcoming year, and we eagerly welcome your participation and your contributions.

Spheres

Spheres is the undergraduate journal of international affairs. We welcome students from all corners of the globe to submit pieces about their homeland, their experiences abroad, or their reflections about current issues.

Media Advisory Board

The Media Advisory Board provides a forum for discussion of Tufts media issues and interests. We host guest speakers, consult on editorial and operational needs of Tufts media, and promote good communication and interaction between all media organizations.

The Over

The Over is Tufts' newspaper of record since 1895, and still going strong. Tufts' only full-size publication features up-to-the-minute news, in-depth analysis, editorials and commentary, progressive arts coverage, and a full sports section.

Onyx is Tufts' Black literary magazine. Now in its ninth year, it serves as a medium for creative expression of students at Tufts. *Onyx* strives to be a mirror that reflects the experiences of people from the African diaspora through poetry, short stories, and artwork.

Primary Source

Primary Source is a journal of conservative thought since 1982, the *Primary Source's* role on campus has evolved from presenting conservative views to addressing campus issues, all with an appropriate amount of humor. Issues explored include campus free speech, liberal academia, the environment and much more.

Queen' Head & Artichoke

The purpose of this organization is to publish a bi-annual literary magazine consisting of the work of Tufts' student, both in the written and visual arts. It aims to give writers and artists a frequent and accessible forum for their work, and to present it to as wide a range of people as possible.

Tufts Daily

"Where you read it first." -- Established in 1980, the *Tufts Daily* is a non-profit newspaper, published Monday through Friday during the academic year and distributed free to the Tufts community. The Daily is entirely student-run; there are no paid editorial positions. Our departments cover campus and local news, features, arts and entertainment, and sports. We also publish a viewpoints section twice a week, where members of the community can share their opinions. Each Thursday, we include a weekend section with local entertainment highlights and various features.

Our production department designs creative layouts each night, and photo and graphics add eye-catching details to each page. This year, we have developed an active online department that is updated daily with all of our articles and letters to the editor. The Daily homepage also has a searchable archive of past articles. As a student-run organization, we maintain our own business staff which is responsible for the business operations and fiscal management of the paper.

The Daily, in addition to being a source for news and events, is also a means by which students can gain experience in leadership, journalism, business, graphic arts, newspaper layout, desktop publishing, and other media-related skills.

Tufts University Television

We, the members of TUTV, hereby invite you to join us for the great causes of education, entertainment, and enlightenment. We accomplish these tasks through a medium both visual and aural, a form of communication that has and will continue to shape the culture in which we live. Share our dreams--find us online at tutv@emerald.tufts.edu.

WMFO

WMFO (91.5FM) is unlike any other student run organization at Tufts. The radio station's 125 watt transmitter sits atop Ballou Hall, and reaches the densely populated surrounding communities of Medford including Somerville, Cambridge, Arlington, and northeast communities. The Trustees of Tufts University holds the FCC license and students run and operate the station in partnership with community members. WMFO's educational mission is to provide radio programming that is diverse and not available in any other radio market. We have the freedom to offer programming that is informative, challenging, soulful, funny, bizarre, unique and rare. You simply cannot find anything else like it on your FM dial.

Yearbook

The Yearbook incorporates the talents of several students who manage, edit, and write for the annual publication for the senior class and the rest of the Tufts community.

Zamboni

The purpose of *The Zamboni* is to provide a forum for comic essays, satirical articles, student cartoons, and anything else considered humorous. We remain within the boundaries of good taste while providing the student body with material that no other campus publication will feature.

The Daily Staff

TUTV

Above: Jeff Reingold and Pres. DiBiaggio celebrate TUTV's beginning.

WMFO

Religious Groups

Christian Fellowship

The purpose of Asian Christian Fellowship is to offer Tufts students a means to practice Christianity in accordance with their cultural background. In addition, Asian Christian Fellowship provides a specific location and time for all students interested (regardless of ethnicity) to come together to engage in prayer, meditation and praise.

Our vision is to be visible Christians, who help each other grow as Christians, regardless of church affiliation or background. Our favorite verse: Matthew 5:14,16.

We strongly emphasize that ACF is not a church, but an extension of church that meets the need of our members who sometimes prefer a smaller, informal style of worship rather than a structured, campus service. Currently, most of our members attend church within the greater Boston area. Although ACF does not have Bible Study groups, we believe that the Bible is the only source of Truth and do offer small groups, facilitated by upperclassmen, to share in prayer requests, daily struggles and thanksgivings.

One unique aspect of ACF is our references to our Asian cultural background. As 1.5 or second generation Asian Americans, we grew up with the identity of being a minority in this country which draws a different perspective of living as Christians. Our identity of being a minority in at least two ways sets us apart from other campus fellowships. Frequently, we address our multicultural issues during our fellowship.

At the Tufts campus, we presented a skit and body worship in the Community at Tufts' (ACT) Culture Show during Asian American Month and a bilingual a capella piece in Tufts' Korean Students Association Culture Show. We hosted an annual joint worship with other campus ACF's such as Boston College and Wesley College. For our off-campus trips we presented a skit for an In-Wide Praise Night at MIT and drove out to South Hamilton for a day of food and fellowship.

Episcopal Student Fellowship

The Episcopal Student Fellowship at Tufts University welcomes any member of the Tufts community wishing to find fellowship in Jesus Christ to join as members. The Episcopal Student Fellowship is a group where students can meet and comfortably discuss biblical and spiritual issues.

Islamic Society

The purpose of the Islamic Society is to promote spiritual, physical, and mental well-being by offering religious services and counseling to all its members. We also work to increase overall Islamic awareness on campus, and increase tolerance of Islamic and Muslim views through meetings, lectures and tables. We encourage its members to be open-minded and tolerant of others' beliefs, and to take actions only with the best of intentions.

Orthodox Christian Fellowship

The Orthodox Christian Fellowship was formed and exists to bring Orthodox Christian students together for services and fellowship. We run trips to local churches during religious holidays, and share our heritage throughout the year. Celebrate with us!

The Tufts Christian Fellowship
is a non-demoninational student group
whose mission
is
*to invite people who
want more
that is truly satisfying
to find it
by following Jesus together.*

We are a group of Tufts students and staff who have discovered the joy and satisfaction of following Jesus. We believe that true life is found in Jesus and in his words, and we want to invite others to discover more of that life with us.

Voices of God Seniors: Ismael Perez, Jim Purekal, Jessica Paradise, and Lori Harrington

Catholic Center

The Tufts Catholic Center gathers for Mass on Sunday nights, provides numerous social activities for members of the Catholic community, and sponsors many community service projects. The Catholic Center is a student-run organization which is always available as a resource to Catholic students.

There is also a Choir which sings during every Sunday evening Mass, and they have named themselves the Voices of God.

Hillel

Hillel, the Jewish organization on campus, is one of the largest campus programming organizations. We dedicate ourselves to social action, participate in religious services and celebrate Shabbat dinner. Additionally, we sponsor well-known speakers, a Purim dance, Chanukah parties, and we organize environmental programs. Hillel has a place for everyone. Tufts Hillel often collaborates with other New England Hillels, offering a chance to meet new people, plan exciting events, and relax with friends.

Hillel General Board

Performance Groups

Amalgamates

Years ago, amidst cries of "We want unity," and "Could you please pass the jelly," Tufts' only co-ed a capella group was created. The 'Mates travel to other countries and demand that its members be able to do at least three good impressions of musicians (including, but not limited to Tina Turner, Wayne Newton, and the Simpsons' great Krusty the Clown) and be able to shoot 70 foot 3-pointers...dizzy...with eyes closed. With their newest album produced this year, it was great time to get involved.

Mates Seniors on their last Spring Tour: (L-R) Jordan Kaye, Reb Blake, Elizabeth Parvin, Sarah Weireter and Chandler Wells.

Arts Commission

The Arts Commission works to support the fine arts at Tufts by having events every Friday or Saturday at 7-9 pm. One of us is usually hanging around at 37 Sawyer Ave., the Arts house.

Ballroom Dancing Club

Learn to kick up your heels and do the foxtrot, the waltz, and other traditional dances. For the tentative dancer, we hold workshops that go over the basics of each dance, while the more advanced dancer has the option of attending ballroom dance competitions. These dances never go out of style, so pull yourself away from your books and join us on the dance floor!

Black Theatre Company

The purpose of the Tufts Black Theatre Company is to promote Black theatre on campus and eventually the surrounding areas. Our aims include diversifying theatre as it is already seen on the Tufts campus and to encourage participation by students of color and other minorities. We will present material written by Black people.

Beelzebubs

The Beelzebubs is comprised of Tufts men who believe that singing should be fun for the audience and performers alike. Founded in 1963, the Beelzebubs have been spreading their motto of "Fun Through Song" throughout the country and around the world. Known as the "Bubs" around campus, they strive for musical excellence as well as quality performance. The Bubs' style of a cappella makes use of vocal percussion, non-traditional syllables, and other innovative mouth noises. Amidst long rehearsals and constant travel, the Bubs always remember that it all revolves around having a good time. This year's Bubs' Seniors include Jesse Silver, Dave Kanter, Andy Gladstone, and Jack Maynard.

The Bubs bowl to North Carolina following Jesse's Brown and Brew Birthday.

Cheap Sox

Be all that you can be. Travel to exotic lands, meet interesting people and make them laugh. Cheap Sox, elite para-military improvisational comedy troupe.

The victorious and undefeated team at TV football 1997. From left to right: Oliver, Tup, Andy and Joe.

Spring Rehearsal

Chorale

The Tufts Chorale members are faculty, undergraduates, graduate students, administrators, and a few assorted: music majors and engineers, Beatles lovers and Beethoven buffs, punks and preppies, members of the coffee generation and people who like Grape Nuts. In short, there is no typical Chorale member. This diversity is echoed in our music as well as in our social activities. The Chorale performs music from Stavinsky's "Les Noces" to Beethoven's "Choral Fantasy." Our social functions range from pie-throwing contests, to our annual wine and cheese reception, to an occasional tour to Canada or other new England colleges. The Chorale sings at local nursing homes and hospitals, over Parents' Weekend, and at Winter and Spring concerts.

Crafts Center

The Crafts Center is the "oh-so-groovy place to hang out and make stuff." Activities include Paper marbling, Candlemaking, Papermaking, Fimo, Jewelry Making, and Ceramics. The Crafts Center operates out of the basement of Lewis Hall.

Dance Collective

The Tufts Dance Collective is a student-run, extracurricular dance group open to students with all levels of experience. TDC supports all forms of artistic expression within dance by sponsoring workshops, jam sessions, films, master classes, and most importantly our semester concert. We are members of the dance community establishing a resource that is responsive to a variety of needs.

Essence, now in its sixth year of existence, is an all women's vocal ensemble focusing on the music of the African-American tradition. This semester our greatest challenge has been the production of our first CD. We have developed significantly throughout the years, while maintaining our uniqueness on campus. We hope to continue to bring the sounds of soul to Tufts' campus.

Jill's Seniors: Jamie Futterman, Nadine McSpadden, Hallie Sporn, Isobel Allen-Floyd, Tal Rabinowitz

Jackson Jills

The Jackson Jills, founded in 1963, is an all-female cappella group. They rehearse eight hours each week in Curtis Hall and perform at various colleges and private parties on the east coast almost every weekend. Their motto, "Sing Strong and Hard" is reflected in their current repertoire. Songs by Fiona Apple, Aerosmith, En Vogue, Tori Amos and Bon Jovi continually prove that "girl power" is not just limited to the Spice Girls. The Jill's latest CD, *Raising Atlantis*, recently won the award for "Best Collegiate Female Album" in the 1997 Contemporary A Cappella Recording Awards, in addition to winning "Best Song", "Best Soloist", and Runner-up "Best Arrangement"!

Pen, Paint & Pretzels

The objective of 3Ps is to encourage, promote, and support theatrical interests at Tufts University, including, but not limited to, original plays by members of the Tufts community.

Sarabande

Sarabande is a troupe of student dancers and choreographers. Together, they perform a variety of different types of dance including ballet, modern, jazz, tap, and street. In the Fall Semester, Sarabande produces the Supershow, in which all of the performance groups on campus come together on one night before the Tufts community. In the Spring, they put on the Spring show, an all-dance performance consisting of Sarabande as well as other guest dance troupes.

Jumbo Marching Band

The Jumbo Marching Band, affectionately known as the Pep Band, brought lots of spirit and support to this school year's football games as well as other events on and around campus. Whether it was through playing the Jumbo fight song, "Tufton's Dr" or the tune which has almost become their own -- "You Can Call Me Al", there was never a dull moment with the Pep Band. The band's activities even go beyond music. A Wednesday or Friday evening found members of the band happily enjoying dinner together in Hodgdon -- their cafeteria of choice. At many football game, band members tried quite hard to get the crowd to partake in the wave. And while West Hall may have its own famous run, the band also has a run out of its own. During the last home game, the seniors run a lap while their fellow band buddies play "Chariots of Fire".

Pep Band Seniors: Dan Abramovich, Lori Harrington, Joe Fiore, Matt DelNero, Jenn Madan

Arabande

Spirit of Color Performing Arts Troupe

Spirit of Color is about unity. It is a student-run organization dedicated to promoting participation in dancing, singing, and acting at Tufts. Our goals are to bring students together regardless of experience and to break down stereotypes regarding such issues as race and ethnicity because all of us have important things to contribute to the performing arts. All of our collaborative efforts are directed toward preparation for our annual show, which usually takes place in February.

Torn Ticket II

Torn Ticket II is Tufts' student run musical theatre organization dedicated to producing quality musical theatre; recent productions include: *Into the Woods*, *Godspell*, *A Chorus Line*, *Baby*, and *The Fantasticks*, as well as original works. Torn Ticket II presents at least three shows a year, with opportunities in all fields of production and performance.

Traveling Treasure Trunk

Founded years ago and sponsored by LCS and the 3P's, Traveling Treasure Trunk is proud to be Tufts' only repertory performance troupe for children. Since its formation, Trunk has entertained thousands of Boston's children during visits to hospitals, day care centers, elementary schools, and shelters. Trunk holds auditions at the beginning of both semesters and looks for enthusiastic students who love kids and will enjoy being Trunkers!

SQ

One of the newest a capella group on the Tufts University Campus, SQ is coed. The favorite color among the group is lime green, and the person in the audience who can make the best chicken impression gets a fresh chicken. This brief-dominated group loves to sing and have fun.

Third Day Gospel Choir

The Third Day Gospel Choir serves as an atmosphere for participants to learn about the Black Gospel experience by studying the origins and growth of Gospel music through its diversified forms of expression. As a choir, we work to achieve our broader goal of ministering the Gospel to the community at large.

Wind Ensemble

For many people, MUS 80 is much more than just a class. The Wind Ensemble is a time for making music, and also for making friends. Each Tuesday and Thursday afternoon from 4:00 to 6:00, we gather in Cohen Auditorium and make wonderful things happen.

Under the enthusiastic direction of John McCann, the Wind Ensemble performs two to four concerts each semester. On stage before each performance, John typically enlightens ensemble members with humorous anecdotes affectionately referred to as "Addie stories" (his charming daughter).

During the last precious days of winter break, the Wind Ensemble joins the Pep Band on the infamous "Band Trip". This year's seniors may remember voyages to places such as ICELAND, London, Bermuda, and Montreal. Fond memories are shared by all.

Wind Ensemble Seniors: Lori Harrington, Leigh O'Mara, Julia Motl, Dan Abramovich (not pictured: Jessica Paradise)

The Blue Lagoon

Miscellaneous Organizations

Golden Key National Honor Society

The Golden Key National Honor Society is an interdisciplinary honor society committed to the recognition of scholastic achievement and the promotion of altruistic conduct through voluntary service. The top fifteen percent junior and seniors with at least a 3.4 grade point average are invited to join. Participation occurs on a local and national level, since each chapter develops its own goals in addition to utilizing the programs offered by the Golden Key headquarters.

International Scholarship Committee

The purpose of the ISC is to provide scholarship opportunities for international students seeking aid. Our efforts involve managing and ensuring the functioning of the Oliver Chapman Memorial Emergency Loan Fund, the Emergency Scholarship Fund, and the Leila Azadi-Moshiri Loan Fund. We work in conjunction with the International Center, as well as the International Club. We encourage all Tufts Students who are concerned about the continuing education of international students to join us!

Monty Python Society

*Our purpose, of course, shall be
To build friendship and camaraderie,
To appreciate the British fun,
Watch Python films and when we're done,
To reenact the skits of folly,
And make Tufts jovial and jolly;
To bring to Tufts some comedy
With films and speakers for all to see,
To discuss British Humor roots,
And learn defense against some fruits.
Membership is open to all
as long as they wish to be named Paul (or Paula).
The one due that we request for,
Is a can of Spam each semester.*

Society for Creative Anachronism

SCA is a non-profit educational organization that recreates the pagentry and the glory of the High, Middle Age and Renaissance. SCA members study and practice some of the arts, science, combat, courtesies, and chivalry of pre-1600 culture. As part of the national and international SCA, the Tufts chapter, known as the Ivory Keep, exists to help members of the Tufts community join this interesting and unique part of the "living history" movement.

Strategic Gaming Society

The members of the Strategic Gaming Society do not seek only to "play games" amongst ourselves. We exist to provide a new social option to the entire Tufts community. We maintain a university owned, open library of gaming materials and supplies. We hold workshops in which members can share knowledge with the Tufts community, and also sponsor special events that range from tournaments and live games to challenges with similar groups at other colleges.

The Tufts Chess Club

The Tufts Chess Club, founded in April 1997, is presently in its first full year as a TCU-recognized organization and its first semester with TCU funding. We continue to attract members of all levels of skill and interest and new members are always welcome to attend any meeting. We have a number of chess sets and clocks for members' use and it is not necessary to have your own set, or even to have played chess before, to join. We will be holding a tournament in April and expect to hold a tournament each semester in 1999 as well. Visit our web site at <http://www.tufts.edu/~mweissma/chess/>.

Pre-Professional Groups

AIESEC

AIESEC is the French acronym for International Association of Students in Economics and Business. From us, students learn the practical business skills not offered anywhere in the Tufts liberal arts curriculum. Also, AIESEC members get the opportunity to work in a paid internship in any of the 85 participating AIESEC countries.

American Institute of Chemical Engineers

The objectives of A.I.Ch.E. are the advancement of chemical engineering in theory and practice and the maintenance of a higher professional standard among its members.

American Society of Civil Engineers

The Tufts student chapter of the A.S.C.E. allows students to interact with local and national professional communities, by means of guest lecturers and field trips. Students in the A.S.C.E. design and build steel bridges and concrete canoes each year for regional competitions. All are welcome to attend our weekly meetings.

American Society of Mechanical Engineers

The objectives of the American Society of Mechanical Engineers (A.S.M.E.) are to encourage the development of a professional consciousness, to provide an opportunity for mechanical engineering students to become acquainted and work together effectively, to promote a spirit of congeniality among them, to provide contact with the engineering profession, and to disseminate knowledge of mechanical engineering to the general population.

Some events A.S.M.E. sponsor each year include trips to local production and process plants, technical speakers, resume workshops, and the *Tufts University Soap Box Derby*. This year A.S.M.E. is also working with the Oxfam Collective in building a fund raising structure to end world hunger.

Architectural Society

The objective of the Tufts Architectural Society is to establish a forum in which students can express and explore their interest in architecture. The society holds monthly meetings that include; discussions led by guest architects who have designed campus buildings; slide shows presenting the works of contemporary architects; design competitions; and senior portfolio reviews. The society has also offered trips to Newport, R.I. and Boston to tour buildings of architectural significance. All are welcome.

Economics Society

Because Tufts has no business school, the Economics Society plays a vital role in broadening Tufts' Liberal Arts experience for those students interested in developing business skills. Members of the Economics Society share experiences about classes, economic related activities, internships, and the job search process, in addition to strengthening the Economics major and department by offering feedback to the department on class topics. The Economics Society also brings in independent speakers in business and economic-related topics.

History Society

The History Society was established as a forum for history aficionados. As a group we work to bring a wide range of speakers to campus, and we provide a network for both history majors and other students interested in historical issues. Whether studying the past or the present, the History Society prepares you for the future!

Human Factors and Ergonomics Society

In order to maximize human performance, a knowledge of human factors and ergonomics is required. In collaboration with the undergraduate degree program in human factors engineering, the society promotes and advances understanding of human factors involved in the design, manufacture, and use of different machines, systems and devices. We achieve these goals through the interchange of knowledge and methodology amongst the behavioral, biological, and physical sciences. In the past, we have published an engineering psychology newsletter, and participated in events sponsored by the nation human factors organization.

TUFTS TRI-SERVICE ORGANIZATION AT THEIR VETERAN'S DAY MEMORIAL SERVICE

Tri-Service Organization

By land, by air, and by sea, the Tufts Tri-Service Organization serves as the home base for Army, Air Force, and Navy ROTC students. We strive to present a positive image of ROTC and the armed services on campus, in addition to facilitating better communications between ourselves and our detachments at MIT. Eventually, we would like to re-establish our own ROTC detachments here at Tufts.

Tufts Student Resources

Tufts Student Resources is a non-profit, student-run enterprise that acts as an incubator for student businesses that will generate profit. TSR has three primary goals: to provide employment to Tufts students, to offer services to the Tufts community, and to provide managerial and entrepreneurial experience. These goals have provided the framework which has allowed TSR to become one of the most productive and dynamic learning experiences on campus. TSR is responsible for six divisions dedicated to serving the student body; Aerobics on the Hill, Celebrations, Laundry Service, Direct Sales, The Rez, and Publications.

Institute of Electrical and Electronics Engineers

The purpose of IEEE is to introduce the electrical engineering student to the professional world. We discuss technological advancements in our society, and to promote a sense of engineering ethics and morals through speakers, information sessions, plant tours, and functions.

National Society of Black Engineers

The National Society of Black Engineers (NSBE) provides academic and cultural support for minorities interested in math and science careers. NSBE's mission is to increase the number of culturally responsible black engineers to excel academically, succeed professionally, and positively impact the community. NSBE provides study sessions, tutoring, and internship information to its members. NSBE networks with neighborhood Boston schools for conferences, workshops, and research projects.

Some of NSBE's activities are: National Engineer's Week, Regional and National Conferences, Host of the 1998 New England Zone Spring Zone Conference, Design and sale of College of Engineering T-shirts, and Plant Tours to Polaroid, Teradyne, and Gillette.

Society of Women Engineers

The Society of Women Engineers is a non-profit, educational, service organization dedicated to making known the need for women engineers and encouraging young women to consider an engineering education. Specifically, its objectives are to inform young women, their parents, counselors, and the public in general of the qualifications and achievements of women engineers and of the opportunities open to them, to assist women engineers in readying themselves for a return to active work after temporary retirement, to serve as a center of information on women in engineering, and to encourage women engineers to attain high levels of educational and professional achievement.

The Pre-Legal Society

The Pre-Legal Society is established for the expressed purpose of promoting intellectual, social and analytical interaction between undergraduates from Tufts University and representatives from the legal profession, law schools, and other undergraduate institutions. In doing so, our goal is to inform students about the legal profession, prepare students for graduate legal studies, provide leadership opportunities and support, and put students in contact with the resources available to them.

Tufts Lighting, Sound, and Video

TLSV is a student-run technical assistance organization that brings light and sound for campus groups and events. Whether you just need a microphone, or lighting design for your show, we're here to provide professional, quality service.

The Pre-Medical Society

The Pre-Medical Society serves as a resource for students considering a medical career. Visits from medical students and practicing physicians help our 150 members to envision their future. In addition, our peer advising program helps underclassmen adjust to pre-medical demands with the advice from experienced seniors.

Mock Trial Team

In 1996 the Pre-Legal Society established the Mock Trial Team in order to provide students with an opportunity to learn about trial law and compete with other undergraduate institutions. Each team consists of six to eight students who prepare and argue both sides of a criminal or civil case. Students may participate as attorneys, witnesses, or both.

The Math Club

The Math Club is a new student-run organization that tries to involve students in mathematics beyond the classroom. Through faculty-student discussions and reviewing of articles and videos, the club seeks to present mathematics in a new and interesting light. The club is a resource for forming study groups and researching career options. You need not be a math major to participate in this group.

The Philosophy Colloquium

The Philosophy Colloquium provides a way for students interested in philosophical ideas, majors and non-majors alike to broaden their knowledge of the subject. The colloquium's chief activity is the New England Undergraduate Philosophy Conference (NEUPC), held each spring. NEUPC attracts submissions of papers in philosophy from undergraduates from all parts of the country, and students can earn philosophy department credit by participating in the reading group which evaluates these papers. Joining the colloquium is also a great way to gain experience in running a student organization.

Political and Community Groups

Leonard Carmichael Society

With over 700 student participants, the Leonard Carmichael Society is the largest student organization at Tufts. Rough estimates indicate that we do over 15,000 hours of community service every semester. We're pretty proud of that.

1998 marks our 40th year of existence. This year has been a better year for LCS as we constantly seek to expand and push the envelope of volunteerism. This year we added several new programs including Habitat for Humanity, Special Olympics, GIRLS, Peace Games and Animal Aid, which represent our newest forays into helping others. These new programs join the ranks of some of our oldest saltwarts: Blood Drive, Kids' Day, and Tutoring.

LCS sits at the cusp of bigger and better things; we look forward to the future as we tap into the increasing spirit for service at Tufts University.

Back Row: C. Durrant, K. Thompson, A. Dubelman, J. Brenner, D. Garrett, D. Falzoi, A. Naidu, S. Liu, T. Lamanna

Middle Row: B. Birnbaum, J. Barmore, E. Larsen, L. Liu, A. Kricon, M. Shanik, M. DelNero, A. Krol

Front Row: D. Halla, D. Lipsky, B. Coyle, S. Sarvar, J. Dompier, G. Gan, K. Baginsky

Amnesty International

Amnesty International is a world-wide, non-political organization which works to end government violations of human rights. This includes working to free prisoners of conscience and ensure a fair trial for political prisoners, and working to end the death penalty, torture, and extrajudicial executions. Tufts' Amnesty chapter meets weekly to write letters on behalf of prisoners of conscience, in addition to hosting speakers and holding write-a-thons and concerts, such as the "Rights (Not) on the Roof" event each Spring. We also work with other local Amnesty groups to raise awareness about human rights violations.

Burma Action Group

The Burma Action Group works to educate the campus about the U.S. companies which are contributing to the violation of human rights in Burma. This abomination occurs indirectly through American support of the Burmese government, and directly through utilization of slave and child labor forces. By mobilizing Tufts students, the Burma Action Group participates in solutions to these problems. Our activities include boycotting the products of guilty companies such as Pepsi, and encouraging local stores to do the same, as well as appealing to executives at the companies themselves.

Council on International Affairs

TCIA is an organization that brings current events and world issues to the awareness of students on campus. We will be participating in Model United Nations Conferences at Dartmouth, Harvard, and Yale. We will also be inviting speakers to discuss issues pertaining to international relations and perhaps hold a mock conference of our own this past year, a mock Middle East Peace conference was held.

Ears for Peers

The purpose of our organization is to help people cope with their problems, understand and express their emotions, and find possible solutions to concerns. Our telephone hotline, 627-3888, provides an anonymous and confidential setting where members of the Tufts community can feel comfortable talking to someone.

Environmental Consciousness Outreach

ECO is the undergraduate group for environmental organizing and activism. ECO is run with consensus based decision making. All are welcome to join and participate. Usually there is one main campaign which ECO focuses on for the semester. This may be involved with the surrounding community, tapping into international affairs, or contributing to the "greening" of the Tufts campus.

Friends of Israel

Tufts Friends of Israel is a student organization which focuses on the cultural, political, and social aspects of Israel and the Middle East. As a group, we do a number of different activities from celebrating cultural holidays to discussing the peace process. Weekly events include Israeli dancing and our Hebrew Table. The group is open to anyone interested, and political opinions vary widely among members.

Democrats

Forget that Tufts' mascot is an elephant, for the Tufts Democrats serve as the influential voice of the Democratic party at Tufts. We educate the community about relevant political and social issues, provide a forum for discussion of issues of concern, and encourage and support the election of democratic candidates to office.

Speech and Debate Society

Do you like to speak your mind? Are you looking for an opportunity to express yourself? Are you tired of having your opinions censored? Then join the Speech and Debate Society, a group dedicated to upholding the concepts of quality speech and debate on and off campus. Join us as we compete against colleges and universities from Massachusetts, the United States and beyond, including our famous yearly Oxford Debate Tournament! Help us add to the growing reputation of the Speech and Debate Society while honoring your own communication skills.

Oxfam Café

The Oxfam Café serves healthy, vegetarian food in a fun, relaxing atmosphere. All profits from the café go to Oxfam America, an organization which funds self-development and disaster-relief projects worldwide. The café is completely staffed by volunteers and is open both for lunch (Monday to Friday) and in the evenings (Sunday to Friday). Also connected with the café is the Oxfam Collective, which organizes campus-wide activities on hunger-related issues, such as the FAST for a World Harvest and the Hunger Banquet.

Republicans

Do you believe in the concept of individual rights? Are you in favor of balanced budgets and lower taxes? Then join the Republican Club, the only organization on campus devoted to protecting the rights of each individual and the philosophy of fiscal conservatism. Whether you consider yourself a moderate or a conservative, if you are pro-choice or pro-life, as long as you support fiscal responsibility and individual rights, there is a place for you with the Republican Club.

Tufts Emergency Medical Service

TEMS is dedicated to providing emergency medical care to the Tufts community and teaching emergency medicine. TEMS personnel organize an EMT training course, provide on-call coverage to the University in case of medical emergency, stand-by at various athletic events, and sponsor seminars on primary emergency medical care.

Tufts Lesbian, Gay, & Bisexual Community

TLGBC provides emotional support to all students at various stages of coming to terms with their sexuality, and coordinates and participates in political and educational activities. Every TLGBC member chooses his or her own level of involvement, and one does not need to be "out of the closet" to participate. Meetings are strictly confidential.

Women's Collective

The Women's Collective is a group that meets weekly at the Women's Center. The Collective is for all women: women of all nationalities, ethnicities, races, economic backgrounds, political persuasions, sexual orientations, religions, majors, and interests! There are no leaders; discussion is conducted in a rotating, egalitarian manner. Business decisions are made by consensus. The Collective invites women to share feelings and thoughts, to discuss topics of their choice and to join other collective members in order to become more active on women's issues if they wish. The Collective organizes and sponsors information tables, lectures, movies, performances and other educational and cultural events. The Women's Center is a great resource and a place to meet supportive people. There is a loaning library, information files and all the latest news on women's events on campus and in the community.

MEMBERS OF THE SPEECH AND DEBATE SOCIETY
PRACTICE FOR AN UPCOMING TOURNAMENT

Students Against Drunk Driving/BACCHUS

SADD/BACCHUS enables concerned, responsible students to respond in a pro-active way to a major killer of their age group--drunk driving. The program combines abuse prevention with practical solutions to DWI situations. Recognizing that drinking has traditionally been a part of college social life, SADD/BACCHUS promotes respect for all laws relating to the use of alcoholic beverages, and hopes to raise awareness of the drinking and driving problem so that students will be better able to deal with or avoid potential drinking and driving incidents involving themselves and others. The SADD College Program has three major components: campus activities, community service, and the SADD College "Contract for Life."

Tufts Recycles

Tufts Recycles is composed of a group of undergraduate students and a senior staff advisor. It was formally created in 1994, and since then has reworked on creating a more sustainable solid waste management system for the university. Its endeavor is to promote recycling and waste management awareness and participation, by maintaining an active role in student life, as well as administration and faculty life. Tufts Recycles prides itself in ensuring progress in environmental matters such as environmental consciousness, solid waste, energy, water management, and reduction of levels of consumption. Our aim is to continue to be at the forefront of new innovations in recycling policies and educational programs, and to work in a joint venture with others in maintaining this philosophy.

GREEK ORGANIZATIONS

Inter-Greek Council

The IGC serves as the governing body for all the campus social fraternities and sororities. The IGC acts as the liaison between the Greek System and the faculty and the administration. The committees of the IGC are responsible for the educational programming for new members to the Greek System. The Inter-Fraternity Council (IFC) and Pan Hellenic Council serve as the governing bodies for fraternities and sororities, respectively. They coordinate the rush activities and hold inter-fraternity and inter-sorority social and philanthropic events. The IGC office is located in the Campus Center.

Theta Chi Fraternity

Alpha Omicron Pi Sorority

Sigma Nu Fraternity

Theta Delta Chi

Theta Delta Chi has been a pillar of the Tufts community since its chartering in 1856. The brotherhood is based on friendship and loyalty, and has continued to distinguish itself athletically, socially, academically, and philanthropically.

Zeta Psi

The Kappa Chapter of Zeta Psi is the oldest fraternity on the campus of Tufts University. Located at 80 Professors Row, it is in the center of campus, and is perhaps the nucleus to social life here at Tufts. Yet this magnificent brotherhood is certainly more than just a social hot spot. The house boasts members of various sports teams, including football, soccer, lacrosse, rugby, swimming, volleyball, and basketball. Zeta Psi is also active in philanthropies. This year the house is as strong as ever with over fifty brothers. Although, some of our senior brothers will no longer be active here at Tufts, they will remain Zetes forever and will be remembered for their numerous contributions to the house.

BI-CULTURAL INTERGREEK COUNCIL

The BIG-C functions as an umbrella organization for Minority Greek-Letter Organizations. However, the BIG-C is restricted from implementing policies that govern its member organizations; thus, organizations affiliated with the BIG-C function independently and autonomously. All of the organizations affiliated with the BIG-C are community service-based and are devoted to the creation of a better community. The Big-C also serves as a liason to the National Pan Hellenic Council, Tufts University, and the Tufts Community.

Alpha Rho Lambda Sorority, Inc. Alianza de Raices Latinas

As Hermanas of Alpha Rho Lambda Sorority, Incorporated, we proclaim the duties and goals of this organization as follows: to unite Latinas and all women who aspire to provide each other with a personal and academic support network; thus enabling the development of leadership and academic potential amongst each other and our fellow Latino brothers and sisters. Through sacrifice, commitment to one another and our communities, and the desire to excel in every aspect of life, the Hermanas of Alpha Rho Lambda Sorority, Incorporated will form a unique bond of sisterhood. The eternal link with each other will manifest its strength through the works of the sorority.

The commitment to our community is fulfilled through community service projects and cultural events. Our Hermandad provides the perfect atmosphere of pride, unity, dedication, loyalty, and ambition needed to meet our goals. Alpha Rho Lambda Sorority, Inc. approaches community service from our five essential issues: Women, Children, Health, Education, and the Latino Community.

La Unidad Latina, Lambda Upsilon Lambda Fraternity, Inc.

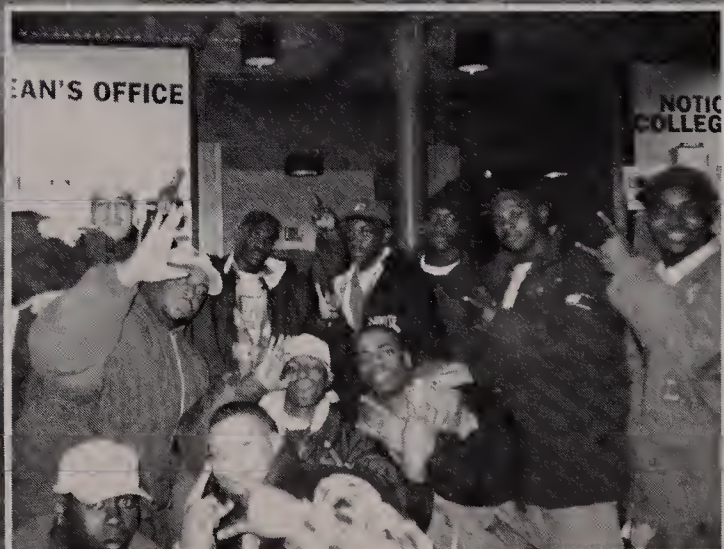

From its inception, LUL has maintained commitment to the enhancement of the quality of life for all Latinos. Within the academic realm, we continually emphasize programs that aid the retention, guidance, and completion of each Hermano's degree program. In the cultural arena, we dedicate ourselves to exploring and propagating the vast richness of the Latino heritage and culture. We also focus strongly on serving our community. We do so by providing services to those in need, ranging in scope from simple volunteer work to extensive fund raising functions. We seek to provide an immediate return on the investment made in us by the community and our family that has put us where we are now. We also function as a social organization. We do so by providing an atmosphere in which each Hermano can be himself and relate to others that share similar backgrounds and experiences, creating a sense of familia that allows every brother the chance to have a place where he can genuinely say that he feels at home, a place where the term "brother" is more than a label.

Phi Beta Sigma Fraternity, Inc

The brothers of Beta Alpha Chapter of the Phi Beta Sigma Fraternity, Inc. strive to be leaders within their community. Committed to upholding the high ideals of brotherhood, scholarship, and service, the brothers of Beta Alpha Chapter attend some of America's finest institutions while dedicated to giving back to their community. Our fraternity motto, "Culture for Service, Service for Humanity" provides the Beta Alpha brothers with a solid foundation upon which to build up our communities. As the worlds first multi-cultural fratrenity, Phi Beta Sigma has refused to discriminate on the basis of race, creed, or religion, and continuously strives to lead the African-American male into the twenty-first century.

ATHLETICS

Women's Cross Country

1997 TUFTS UNIVERSITY FALL SPORTS REVIEW

As usual, most of Tufts University's fall sports teams were among the best in New England for 1997. Those that weren't made major strides as they turned the corner in their rebuilding efforts. The combination of continued success and future promise made autumn athletics as colorful as the landscape on the hill.

The following is an alphabetical recap of the 1997 fall season. As always, space prevents **TuftsSports** from mentioning all of the deserving student-athletes . . .

- The men's and women's **CREW** programs had a higher number of participants than any previous fall with 121 student-athletes regularly making the trek to the Charles River for practice. As a result, head coach Gary Caldwell's program should be able to race nine to ten eights in the spring, the traditional rowing season.

The Varsity Women's program reclaimed its reputation as one of the top six programs in New England this fall as three boats raced to a combined record of 83-26. The First Varsity, led by senior captain **Elisabeth Wadsworth** of Lebanon, N.H., posted a 36-10 mark and medaled at the MIT/Tufts Invita-

Women's Tennis

tional. The Women's Lightweights, captained by **Sara-Mai Conway** of Chestnut Hill, won the Lowell Textile Regatta and had a 19-4 mark.

The men's program enjoyed a resurgence after a difficult spring season. Five of six eights achieving winning records, led by the First Novice's 13-3 marks and first place at the MIT/Tufts Invitational. The only boat that spotted a sub-500 record was the First Varsity (22-43), which nevertheless made strides behind the leadership of captains **David Hassell** of Clifton, N.J. and **Michal Sobieszyck** of Voorhees, N.J.

• The All-American triumph of senior **Rod Hemingway** of Dixfield, Me., at the NCAA Division III **MEN'S CROSS COUNTRY** Championship Race overshadowed the disappointment of the team's failure to qualify for Nationals. He was sixth overall with a 25:30 time, the best finish ever by a Tufts runner at the NCAA race and just 24 seconds behind National Champion Brett Altergott of Wisconsin-LaCrosse. A week earlier at the NCAA New England Championship Race, the team finished fourth and missed qualifying as a group for the second

straight year by just three points.

Head coach Connie Putnam's team was nationally ranked all season and won the Amherst Invitational and the Codfish Bowl early in the fall. Junior **Jason Burke** of Waltham and sophomore **Matt Lyons** of Wakefield joined Hemingway among the Top 25 at the New England Championship. Senior **Rich Hemingway** of Dixfield, Me., and freshman **David Patterson** of Shutesbury were also regular scorers for the Jumbos.

• Head coach Branwen Smith-King's **WOMEN'S CROSS COUNTRY** team featured some of the top young talent in the region. The best of the bunch is sophomore **Cindy Manning** of Valparaiso, Ind., who placed 49th in her first NCAA Division III Championship Race with a 19:28 time. She was also fourth at the NCAA New England Region Race and fifth at the New England Small College Athletic Conference (NESCAC) Championship.

Manning should have some help as the Jumbos find their way back into the pack of top teams in the region. Sophomore **Caitlin Murphy** of Norwell, a track standout, was 49th at the NCAA New En-

Football

Seniors

gland Championship in her first season running cross country this fall. Classmate **Tiffany Davis** of Ann Arbor, Mi., battled injuries this season and came back to place 54th out of 252 runners at the ECAC Division III Championship Race. Freshmen **Leslie Crofton** of Somerset and **Jennifer Johnson** of Tulsa, Ok., showed promise.

• Despite graduating a group of seniors who led the team to the ECAC New England Championship in 1996, the **FIELD HOCKEY** team was in contention for an NCAA Tournament berth right up until the selections were announced. Bowdoin, whom Tufts defeated 1-0 in October, was selected out of the New England North Region, leaving head coach Carol Rappoli's Jumbos with a chance to defend their ECAC title. They bowed out in the semifinals against Middlebury 2-0, finishing the year with a 9-6 record.

Senior co-captains **Jessica MacLellan** of Easton, Conn., and **Kate Mathey** of North Wales, Penn., had All-American seasons. MacLellan, a walk-on who wasn't sure whether she wanted to play tennis or field hockey when she came to Tufts was the team's engine. She was named All-NESCAC Second Team and a Third Team All-American. Mathey, who graduates this may tied for second on the team's career goals list with 27, was Second Team

Women's Field Hockey

-NESCAC and a Second Team All-American. Sophomore **Meredith Roux** of East Norwich, N.Y., joined MacLellan and Mathey on the New England Region Team.

• The **FOOTBALL** team has only a 3-5 finish to show for its 1997 season, but close followers of head coach Bill Samko's squad think this fall was a springboard. The Jumbos still suffered the maladies of a young team, most notably a 28-20 loss to Bowdoin after leading 10-0 at the half and a last-second, 26-24 loss at Williams. However, wins in the final two games against Colby and Middlebury and strong efforts in losses to Trinity, Williams and Amherst were positive signs for a team that returns most of its talent next season.

Junior QB **Dan Morse** of Randolph is arguably the most exciting player in the league. He set a Tufts record with 1,770 yards of total offense this fall, 1,359 through the air and 411 on the ground. All five of his touchdown passes were to junior TE **Jon Wilson** from Dover, N.H., a NESCAC All-Star selection. Fifth-year offensive lineman **Greg Gorman** of Coral Springs, Fla., was also a league All-Star on offense. Junior DT **Matt Nichols** of Braintree was named a NESCAC All-Star

for the second straight season. Senior P **Nate Holtey** of Ashland, Ore., was selected as a GTE Northeast Region Academic All-American.

• The consistent play of junior **Jeff Kaye** from Avon, Conn., was the highlight of the **GOLF** season. He led the Jumbos in five matches, carding a season-best 158 over two rounds (79-79) at the NESCAC Championship Tournament to tie for sixth overall. He missed a spot on the All-NESCAC team by one stroke. The best team finish was third out of 13 at the Bowdoin Invitational, where Kaye was fourth overall with a two-round 168.

• The Tufts co-ed and women's **SAILING** teams again made their mark in the waters around the country this fall. By the end of the fall season, both teams were firmly entrenched among the top five teams in the nation. The co-ed's captured the 20-team Hood Trophy in Medford and the 16-team Schell Trophy at MIT. The women finished the season strong by capturing the Atlantic Coast Championship at St. Mary's College. The freshmen co-eds also won the Atlantic Coast Championship.

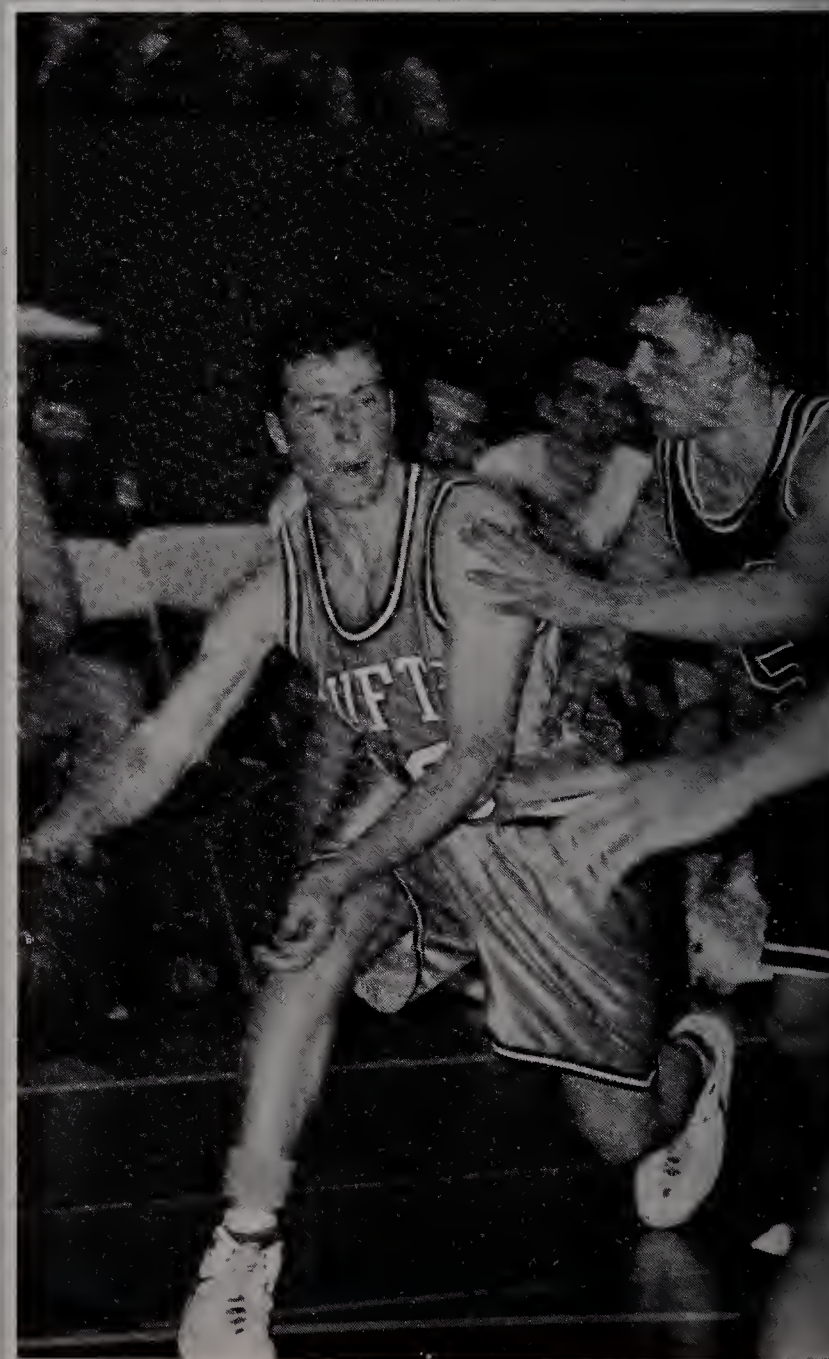

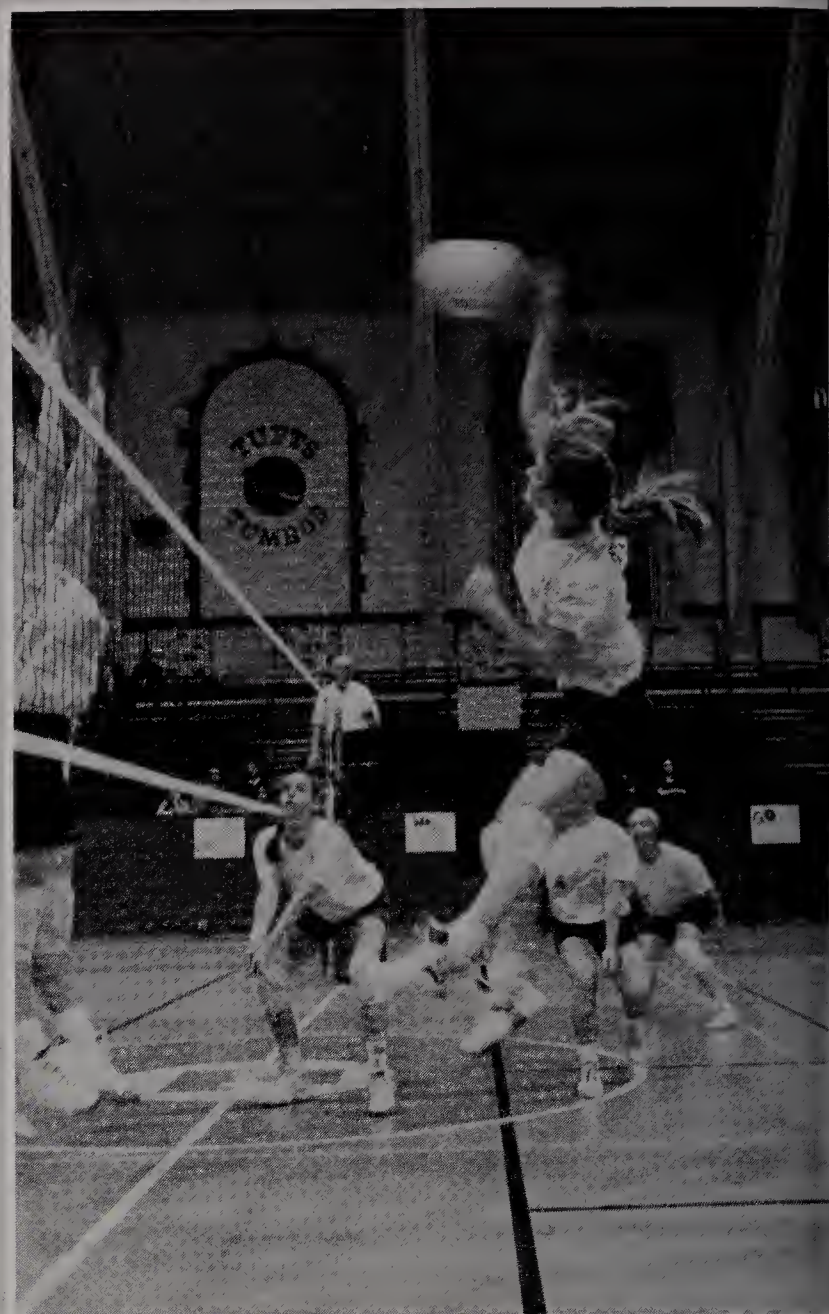

Women's Volleyball

Senior captain **Ramsay Key** of Marblehead and junior **Jon Baker** of Carlsbad, Calif., were the top co-ed skippers. Key won the A Division at the Hood Regatta and Baker was tops in the B Division at the Schell Regatta. Baker placed second at the National Singlehanded Championships at Western Michigan. Junior captain **Caitlin Macallister** of Osterville and senior **Kerry Gendron** of Cranston, R.I., steered the women to victory at the Atlantic Coast race. Macallister's boat had the lowest score at the regatta.

- The **MEN'S SOCCER** team's chances for a third NCAA Tournament berth in four years came down to their final game of the regular season against Middlebury. The winner would move on to the national tournament, and it was the visiting Panthers who posted a decisive 3-0 victory. The Jumbos were selected as the second seed in the ECAC New England Tournament and routed Brandeis, 6-1, in the first round before losing in the semifinals at Connecticut College. Head coach Ralph Ferrigno's team finished with a 10-5-1 record.

Sophomore **Matt Adler** of Princeton, N.J., was one of the most explosive players in the country this fall, scoring 14 goals with five assists for 33 points in 12 games. He tied the team record for points in a season and was named a

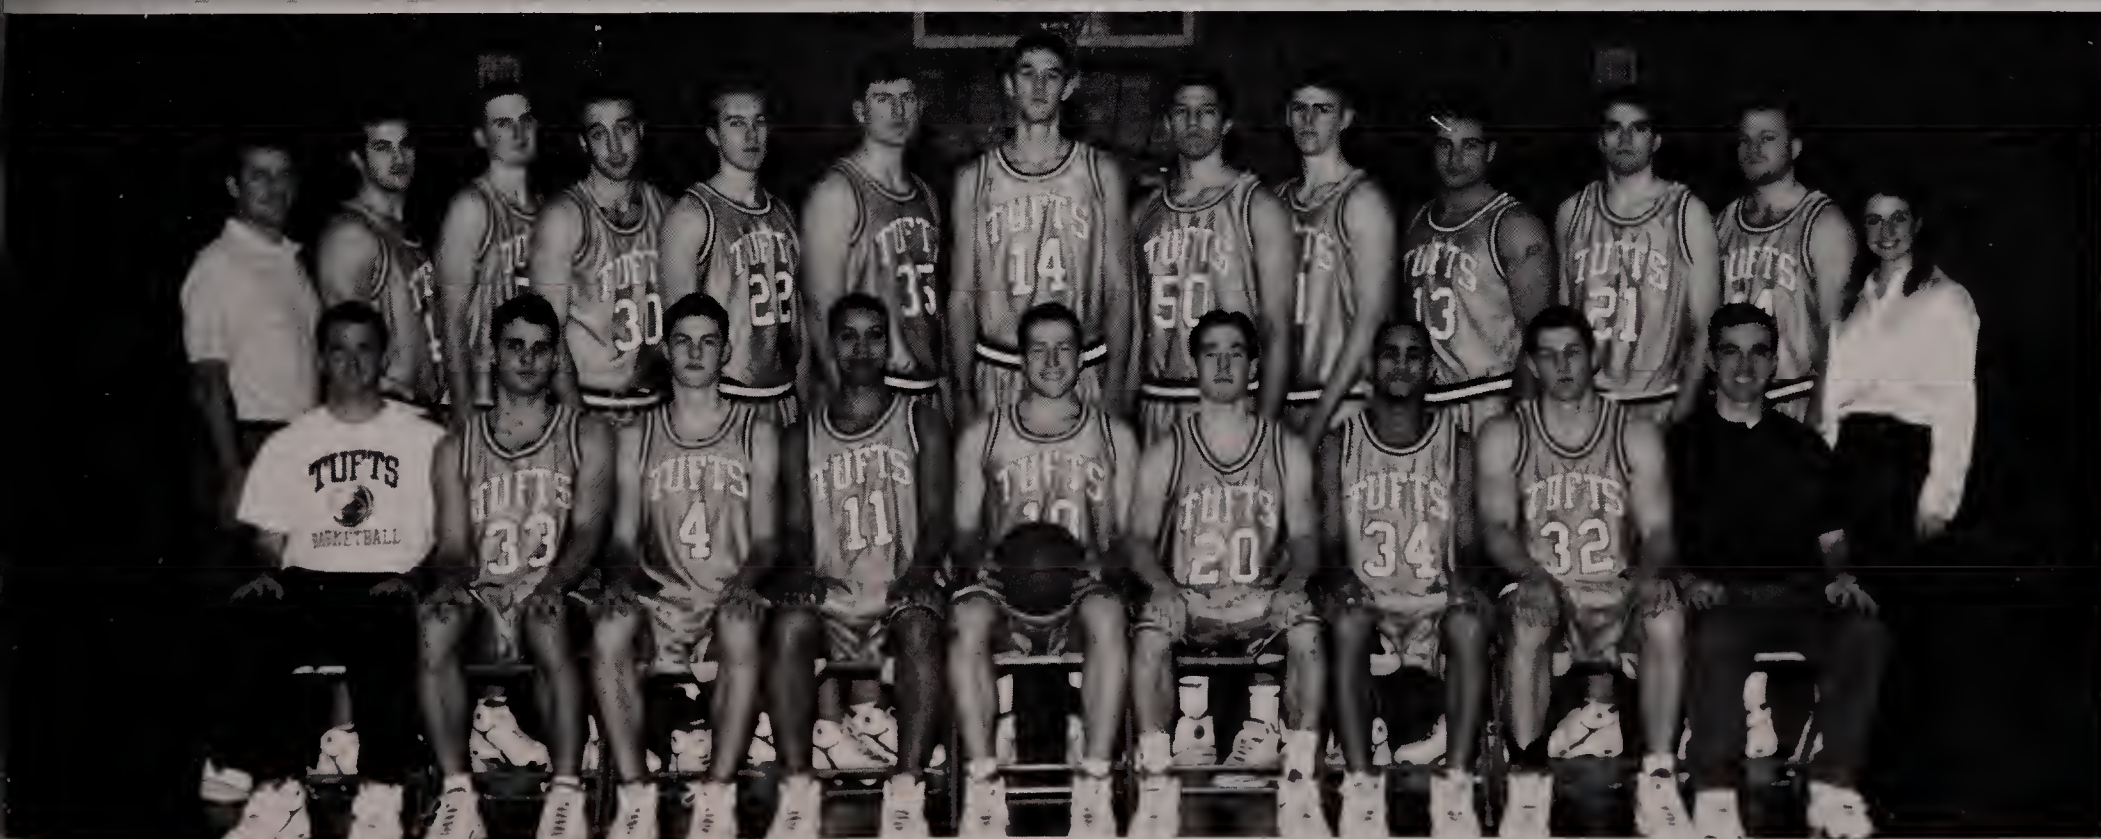

Second Team All-American. Senior **Evan Dabby** of Tenafly, N.J., who was part of two NCAA teams and 42 wins in four seasons, was an All-New England pick with five goals and nine assists. Senior **Harlan Rothman** of Westfield, N.J., also finished a fabulous four-year career with the team.

- Like field hockey, the **WOMEN'S SOCCER** team was waiting on an NCAA Tournament berth that never came and settled for an opportunity to defend their ECAC New England Championship. Head coach Bill Gehling's Jumbos beat Springfield in the first round, 2-0, and was selected to host ECAC Championship Weekend for the second straight year. Tufts lost to rival Wellesley, 1-0, in the semifinals and finished the fall with a 9-5-2 record.

The Jumbos were one of the stingiest teams in the region, allowing just 11 goals in 16 games. Junior **Dana Delegianis** of Rockville Centre, N.Y., was a standout on defense, earning NESCAC and New England First Team All-Star honors. Junior **Sarah Stevens** of Winchester, a transfer from Division I Colorado College, was named All-New England Third Team for her work on defense. Sophomore **Amanda Nagler** of Beverly Hills led the team with eight goals, the most by a Jumbo since 1986.

- The infusion of freshmen talent put the **WOMEN'S TENNIS** team back on the right track after head coach Jim Watson's group won only two matches last fall. The Jumbos were 7-6 this year against a schedule that includes three Division I opponents. They

Men's Basketball

placed sixth out of 22 teams at the New England Championships. Four of the top six players are expected to return next season, and Watson had more depth than usual at his disposal this season.

Leading the team in victories with nine apiece were senior **Nikki Kraslin** of Worcester in #4 Singles and freshman **Hedda Silkoff** of Easton, Conn., in #2 Singles. Freshman **Jen Lai** of Orinda, Calif., and junior **Missy Meo** of North Smithfield, R.I., advanced to the semifinals in #3 and #6 Singles, respectively, at the New England Championships. Kraslin and Meo played into the final four in #3 Doubles at the New Englands.

- For the first time in six seasons, the **VOLLEYBALL** team failed to win 20 matches with a 19-17 record. However, head coach Kris Herman's team did run its post-season appearance string to three

straight and four in the last five years with an ECAC North bid. The Jumbos lost to Middlebury in the first round, 3-2, after leading two games to none. That sums and up-and-down season, which included the team's second straight Bowdoin Round Robin Tournament title, but also a 1-2 record in the NESCAC Tournament at home.

Junior **Angela Yost** of West Linn, Ore., and sophomore **Dana Cohen** of Rockville Centre, N.Y., ranked among the national leaders in digs and blocks, respectively. Yost, a NESCAC Second Team All-Star, averaged 4.85 digs per game, while Cohen, a NESCAC Honorable Mention All-Star, blocked 1.6 shots a game. Junior **Kara Valentine** of Stratford, Conn., was the team MVP with 267 kills and 445 digs. Senior setter **Marni Rachich** of Chappaqua, N.Y., leaves the team as its all-time leader in service aces (186) and assists (3,051).

1997-1998 Tufts
Women's Rugby

Above: Members of the team with their Coach Charlotte at Invationals in Kentucky.

Tufts Equestrian Team

The 1997-98 Equestrian Team was focused not only on the show ring, but also on enjoying the sport of riding. Each rider is not just an athlete. As a club sport competing against varsity teams, members are responsible for every aspect of the team's success. The show season spans from October to April. Once again the team was honored with the invitation to compete in the Tournament of Champions held in Kentucky. The team trains at Appleknoll Farm in Millis, MA making only one lesson a week possible. The team is well known and respected by their Zone I Region II competitors for their come-from-behind wins, but on campus they are known for their big blue jackets. Senior team members include: Jennifer Casoli, Carla Ellek, Lee Iacopucci, Jenn Kulp, Stacy Nostrant, and Christine Seaman.

~Ode to the 380's~

*Moving in the Fall,
It all began with a bowl of doctored Jello in 410 South Hall.*

*Days at 1:00, Dewick at 5:00,
We ate the food and still survived.*

*Dewick is different, and we all live uphill,
Remember when someone paid the bill.*

*Dirty dishes and hair in the drain.
While cutting a bagel Jess sliced a vein.*

*21st Birthday's, Melissas first Easta,'
Out with a guy, but thinking "Hasta la vista!"*

*Popcorn at parties, "How'd you get that keg upstairs?"
Crystal's still hungry if anyone cares.*

*X-Files on Sunday, Brandon and Bailey mid-week,
"Is someone going to take out the trash, it's starting to reek!"*

*Grilled cheese sandwiches and a snowman named Caesar,
Jerry Springer has the best fights, but we still watch Leeza.*

*The TV's always on, someones phone is ringing.
"What's that noise? Oh, it's just Jaime and Lee singing."*

*Broken Hearts and busted walls,
I'm not home if Res Life calls.*

*Spring Fling headbands, Revenge by eggs,
"If we're going to the gym, I need to shave my legs."*

*Quotes from "The Source," Field Hockey sticks,
Loved by the guys--hated by the chicks.*

*A party for the '80's, with vintage song and dance,
I think our outfits that night left 'em in a trance.*

*A lefty calligrapher, a Frog-Princess who loves Pez,
We were lucky to live with Mrs. Tom Cruise, or so she says.*

*We painted our hand and signed our name,
Having lived there together, we'll never be the same.*

*We shared a suite, the 380's forever!
Will I forget? You? No, Nope, Never...*

Congratulations! Masha Pabien!

Miguel

You Have Done A Great Job. We Are Very Proud Of You!

Dearest Nancy,

Congratulations on all
of your accomplish-
ments. We have shared
many happy and proud
moments with you. May
God bless your life as
he has blessed us with
you.

Mom and Dad

David Kanter,
Keep Music In Your
Heart
A Smile On Your Face
And Follow Your
Dreams
We Love You, MOM
DAD AND ALL THE
REST

Congratulations!
We Are So Proud Of
You.
We Wish You Joy And
Success As You Make
Your Dreams Come
True. We Love You!

MOM, DAD, AND
ROBERT

You Will Always Be My
Little Girl!! I'm Very
Proud Of You.

Love,
DAD

Congratulations! We are, As Usual, So Very Proud Of All Of Your Accomplishments. You Have Always Given Us So Much Joy And Happiness. We Love You More Than Words Can Say.

Love MOM AND DAD

Congratulations And Good Luck!

MOM, DAD & MARIELLA

You Have Made Me So Proud To Be Your Mom. Congratulations On The Culmination Of All Your Hard Work, And Know That Much Love Goes With You Wherever Life Takes You. You Are The Best! Love You.

MOM

You've Always Put A Smile In Our Hearts. We Couldn't Be More Proud Of You.

Love MOM & DAD

"Sunrise, Sunset. Swiftly Go The Years." It's Hard To Believe Your College Graduation Is Here. We Are So Proud Of You - As Always. We Love You More Than Words Can Say. Congratulations!

**MOM, DAD, BETH
GRANDMA RUTH &
GRANDPA SOL**

You Fill Our Lives With Happiness And Pride. We Love You And Hope All Your Dreams Come True!

MOM, DAD AND JOSH

RATTIS! GLUCKWUNSCH! FELICITACIONES!

We are very proud of your achievement at Tufts and confident that this is only the beginning of what you are capable of doing. Pussch kram from Louise, Roy, Alexa and Beauchamp. CONGRATULATIONS!

Yours sincerely,

ROY DGAU

To: Michael Shanik

Congratulations Michael! I'm So Proud Of You. You're A Special Person With Great Persistence, Devotion And Compassion. Keep Striving For The Best And Always Follow Your Heart.

**Love And Best Wishes,
DEBBIE**

Our Dearest Jamie
Our Pride Is Surpassed Only By Our Love.

Our Lives. You Have Given Us Many Proud
Moments, Specially Now, We Are Very Proud
Of Your Accomplishments! Chase Your
Dreams! We Are Behind You All The Way. We
Love You And Wish You Happiness And
Sucess.

MOM & DAD

Dearest Marcus,

Congratulations, son!
We are all very proud of
you. I can't think of
anyone more deserving
than you because
you've really earned it!

Gavin and Carol joins
us in extending our
congratulations.

Lots of love,
Mom & Dad

My face in the multimedia
lab scanner :

" Hey! I learned this at Tufts ! "

Maggie
As You Drive Down Your Road Of Dreams . . .
Remember, We're With You Every Mile.

With Love And Happiness For The Future.

DAD, MOM & ANDREW

Jamie, You've Accomplished So Much In Such A Short
Period Of Time. We Can't Help But Think That The Best Is
Yet To Come.

Congratulations With Love -
MOM, DAD & JEN

Bekah Lirit Frank
Our love and pride in you knows no bounds!
You are our shining star.
Love MOM, DAD, JANICE, AND CATS

Emily
You are our daughter and sister by chance, but our friend by
choice. Congratulations and continued success and happi-
ness in all you do. We are very proud of you. Love, Mom,
Howard, Stephen, Jody, Lisa, Bubby and Grandma

Amy Zimmet

Congratulations! We are so proud of you and all of your accomplishments. We love you!

MOM, DAD, AND EMILY

Joshua Max

We Always Knew!

Love U 4!

Break Of Day Arising From Sullen Earth, Sings Hymns At Heaven's
Gate;**

MOTHER AND THE JACKSON CLAN

**Kris, Congratulations On Your Accomplishments. We All Are
Proud Of You!!!**

Lots, Of Love,

MOM, DAD & RURU

Congratulations, dearest Anthony. You have made us all very proud of you.

We wish you great happiness, and all the very best that the future has to offer.

Aim for the stars. You've got what it takes.

**We love you!
DAD, MOM, ALANA, ANDREW.**

JOSEPH ATTAWAY COX, IV

Joe, Congratulations on all your accomplishments in academia and life. You have earned the right to be as unabashedly proud as we are. Godspeed as you start the next phase of your life . . . use your knowledge wisely. Remember that 'Life is a grindstone, but whether it grinds us down or polishes us up depends on us'. Keep shining!

Love Mom, Dad, Ryan, Princess & Chevi

If you do what you love, you'll never work a day in your life!

**Congratulations Geneane
And The Class Of 1998!**

**Wishing You Love, Health, Success And A
Meaningful Future.**

**We're Very Proud Of You!
With Love,
MOM, DAD AND ERICKA**

 Congratulations -
 We Are Very Proud Of You And Love You.

YOUR FAMILIES

Dear Kath

You Have Grown From A Charming Pre-K Miss To A Sophisticated, Self-Reliant Soon-To-Be-Graduated-From-College Ms.
 Always Keep Your Smiling Eyes And Tender Smile.
 Follow Your Dreams! Remember Dreams Really Do Come True.

We Love You -
 MOM, DAD, SPENCE & CHRIS -

Melissa,
 To Know You Is To Love You
 Congratulations!
 We Are All So Very Proud Of You
 All Our Love
 MOM, DAD, KARYN & GRANDMA

Michael, Congratulations On
 Your Achievements. You Have
 Been A Wonderful Son And We
 Are So Proud Of You. May God's
 Blessings Be Yours Continu-
 ously. We Love You!
 MOM & DAD.

Fawn Mendel,
 We Love You.
 Love MOM, DAD AND
 AMY

CONGRATULATIONS TO THE CLASS OF 1998 !

"Never doubt that a small group of committed citizens can change the world. Indeed its the only thing that ever has."

- Margaret Mead

- BEST WISHES FROM THE OFFICE OF
THE VICE PRESIDENT FOR ARTS,
SCIENCES & TECHNOLOGY -

Good luck to the entire graduating class and especially to our office
graduating students:

Matthew Klee
Tal Rabinowitz
Amy Galatis
Tina Salov

A Letter from the Editor

It's done. Finished. This is the last page. Only a few of you out there really know the reasons why I am so happy. This book represents the accumulation of 5 months of hardwork, dedication and complaining. This book may not contain the best layouts or indepth coverage, but it has been put together with Jumbo pride and spirit.

There were many people that assisted in the production of this book. My sincere thanks go to Dot McAveeny, Michaela Murphy and David Backman of Student Activites, everyone at University Printing Services, and Matt Behrens and Josh Goldenberg from the TCU Treasury.

I would especially like to thank Jodie Nealley, Director of Student Activities, Tom Keeley of Jostens, and Caren Orlick Corin of DaVor Photography for all their help. Thanks for being so patient and understanding throughout the production of this book. I wouldn't have been able to do it without any of you. Thanks also go out to my staff: Lisa Tortorice, Wendy Vargas and Janet Lo. I know the long hours in the office were rough but it's finally done. (now to return those candid...)

I have tried to create a lasting memory for you all to enjoy. Whenever you miss the Hill or your classmates take a look inside. As freshmen we came here eager to learn and obtain the college experience. Now, we leave here eager to conqueor the world. But no matter what path you take in life, be happy and always reach for the stars.

For the mushy part and final goodbyes, I wish the graduating class of 1998 all the best! To my closest friends; I can't believe how fast these four years have gone. It feels like we just met. My partner in crime, Lee Iacopucci, it's not goodbye but see you tomorrow. Crystal Chow, thanks for being such a great roomie all those years and remember Lexington's not far so you better visit. Jessica Schupak and Melissa Arnold, thanks for keeping us sane, remember to watch Days and keep in touch. Courtney Chronley, thanks for a great two years and for believing in me. (I will survive.) To the Best of Times in the 180's and 380's and to all my other Fairmount and Winthrop Street pals...I'll never forget you guys.

Finally in hopes of sounding like a Hallmark card...

ALWAYS REMEMBER TO NEVER FORGET!

Again Congratualtions to my fellow seniors.

*Jaime M. Lynch
Editor-in-Chief*
